

Ada Lovelace

ada@example.com | +44 1632 960 000 | London, United Kingdom | <https://example.com/>

Software engineer focused on reliable developer tools and clear technical communication.

Experience

-
- | | |
|---|---------------------|
| Senior Software Engineer
<i>Analytical Engines Ltd</i> <ul style="list-style-type: none">Reduced deployment time by 35% through parallel build stagesLed 4 engineers in delivering a new release workflow within 3 months | Jan 2023 – Present |
| Software Engineer
<i>Difference Engine Co</i> <ul style="list-style-type: none">Improved test coverage from 72% to 91% across 6 services | Jul 2020 – Dec 2022 |

Education

-
- | | |
|---|---------------------|
| BSc Computer Science
<i>University of London</i> <ul style="list-style-type: none">Graduated in the top 5% of the class | Sep 2016 – Jun 2020 |
|---|---------------------|

Projects

-
- | | |
|--|--------------------|
| Reproducible Release Toolkit <ul style="list-style-type: none">Built a cross-platform release pipeline used by 18 open-source projectsReduced release preparation from 2 hours to 15 minutes | Jan 2022 – Present |
|--|--------------------|

Publications

-
- | | |
|--|----------|
| Reproducible Builds for Small Engineering Teams <ul style="list-style-type: none">Published a practical guide to build isolation, artifact verification, and release automation | Oct 2022 |
|--|----------|

Skills

-
- | |
|--|
| Languages and tools <ul style="list-style-type: none">Rust, TypeScript, PostgreSQL, and GitHub Actions |
| Engineering practices <ul style="list-style-type: none">Automated testing, performance profiling, and technical writing |

Board and Advisory Work

-
- | | |
|---|--------------------|
| Technical Advisor, Open Computing Foundation <ul style="list-style-type: none">Advise maintainers on release security, contributor workflows, and project governance | Jan 2024 – Present |
|---|--------------------|

Professional Interests

-
- Dependable developer infrastructure and reproducible software delivery
 - Computing history, technical education, and volunteer mentoring
